

Disciplinary Policy

If a student fails to achieve certain minimums of attendance, performance, and professionalism, the student may be subject to disciplinary probation or dismissal.

Disciplinary Probation Policy

A student found to be in violation of any of the academic or general policies at VFS (either school-wide or program specific) may be placed on disciplinary probation. The conditions of probation will be provided to the student in writing. A student who is found to be in violation of any of the academic or general policies while on disciplinary probation may be dismissed from the school.

Dismissal Policy

Any student failing to meet the academic and/or attendance standards, found to be in violation of the academic or general policies, or found to be in violation of their academic and/or disciplinary probation may be dismissed from the school. A student who is dismissed from the school will be provided with written notification of dismissal and will be denied alumni privileges.
